## **Isaiah 43:25**

## OUR TRANSGRESSIONS BLOTTED OUT

- 1. The transgressions.
- 1. "I" refers to Jehovah.
- 1. Previous verses (22-24) show how the church had not served God correctly, which show what we do.
- 2. God's people are not able to worship God properly, even when we try our best.
- What Israel and we do (even when striving to do our best) is "transgressions" and "sins."
- 1. The former speaks of sin as rebellion and the latter speaks of sin as a deliberate missing of God's glory.
- 2. The failure to meet our obligations incurs guilt, a debt we are to pay.
- God "blotteth out" and "will not remember."
- 1. The wonder is not the presence of sin and guilt, but that they are forgiven!! Again and again!!
- 2. To "blot out" is to destroy, to wipe out, obliterate, exterminate, abolish.
- 3. By faith lay hold of what God declares about you!
- The reason we can be so sure is because of "I, even I."
- 1. It is impossible for us to remove our transgressions and sins we only add to it!
- 2. God blots out our sins by taking them and their guilt on Himself: "I, even I."
- 1. He assumed our guilt when His Son came in the likeness of our sinful flesh.
- 2. God's own Son bore the punishment completely, and His suffering was of infinite value that it blotted out every sin.
- The motive and the purpose is "for mine own sake" look at verse 21.

- Everything is ultimately for God's sake, not for our sake.
  He saves us so we can declare His praise.
